**2 Escudos 1712 "Royal"**

20 From the Spanish wrecks of the Florida Coast – originally Kip Wagner's show–piece, consigned by the present owner. Mexico City mint, assayer J.

November 17, 1969

TO WHOM IT MAY CONCERN:

This coin 1712 gold Spanish 2 es. minted in Mexico, believed to be minted especially for the King and Queen of Spain. Believed lost in the sinking of the Spanish Treasure Fleet during the Great Hurricane of 1715, off the coast of Florida.

This 1712 gold 2 es. royal is the only specimen known in the world at this time. It is called royal because it was especially struck for the King and Queen of Spain, authenticated by the world famous explorer and discoverer of the lost 1715 Spanish Treasure Fleet off the coast of Florida, and the author of "Pieces of Eight", Mr. Kip Wagner.

Personally appeared before me, Kip Wagner, who says that the foregoing is his opinion based upon best information, knowledge and belief.

Witness: JOHN L. LESTER KIP WAGNER

Lopez Chaves as unique for regular striking not known as Royal. Value estimated $10,000.–20,000. Owner has put a reserve of $15,000 on the coin based on the fact that it is unique and that a 4 Escudos Royal sold privately for $18,000.

**The Unique Royal Set of 1731**

21 "Royals" of 8, 4, 2, 1 Esc. 1731, unique set. "Royals" of 1731 have not been offered until now. The 8 Esc. cob 1731 regular was sold by us for $1,600 in 1967. The 4 Esc. of this date was unknown and 2 and 1 Esc of 1731 are listed as unique (2 Esc. Lopez Chaves 251) for regular (not royal) issues.
A Royal 8 Esc 1731 is valued by us $20,000.–25,000.
A Royal 4 Esc 1731 is valued by us $15,000.–20,000.
A Royal 2 Esc 1731 is valued by us $10,000.–15,000.
A Royal 1 Esc 1731 is valued by us $5,000.–6,000.
A set is valued by us $50,000.–65,000.
Of course the price to pay for a set of "Royals" may not reach such proportions in this tight and thin market but the "happy" collector can consider himself owning a $50,000.–60,000. property. The set is sold WITHOUT RESTRICTIONS but bids under $11,500 will not be accepted, a voluntary reserve put on this lot to protect the owner.

22 Spanish gold ring. From the same wreck. ¾ inch diameter. Found with the 1710–1714 coins, ornamented. Weighs 3 grams. EF Enlarged. **PHOTO** ($100.–150.)

23 Spanish gold chain. From the same wreck. Gold and coral necklace, ornamented. 32 inches alternated with different gold ornaments and small corals. On bottom, 2 gold, 2 larger corals and gold, pearl hanger. Very attractive. **PHOTO** ($200.–250.)

36 50 Soles 1931. Beautiful Inca head of Manco Capoc left; Rev: Inca emblems. Friedberg 77. Gem proof. Today with new government rulers in Peru, there are few coins coming out of that country. This may well be a great rarity now. **PHOTO** ($750.–1,000.)

# TERMS OF SALE

1. Auction sales ARE NOT approval sales. Read these terms carefully. By submitting bids you agree to the terms set forth below. All coins have been classified by experts and while errors will be gladly corrected NO LOT MAY BE RETURNED WITHOUT WRITTEN PERMISSION. Request to return coins MUST BE MADE WITHIN THREE DAYS OF RECEIPT OF COINS.
2. All bids are to be by LOT as numbered in the catalogue. When identical bids are received, preference is given to earliest bidder.
3. This is UNRESTRICTED PUBLIC AUCTION. All bids are entered as received and highest bidder will be the buyer. Mail bidders may feel free to submit any bid they wish and each lot will be purchased for such bidders at the next highest bid over room bidders.
4. Bidders must establish credit or have on deposit 25% of TOTAL bids.
5. All ACCOUNTS MUST BE SETTLED PROMPTLY IN U.S. FUNDS, or in other currencies if special arrangements have been made.
6. Lots delivered in New York City are subject to 6% Sales Tax. Mail buyers in New York State pay 3% Sales Tax.
7. There will be no charge for executing bids but postage and insurance will be added, and a handling charge for large, bulky or heavy lots.
8. Where estimates are given they represent either the owner's idea of value or our professional opinion as to what they should bring. IN ANY EVENT THEY ARE ONLY ESTIMATES AND YOU CAN BID HIGHER OR LOWER. We recommend however, if you want the lot, bid close to or over estimate.
9. All lots and coins are guaranteed to be genuine and as described by Mr. Hans Schulman and Herman Steinberg. Photographs are of the actual specimens put up for sale.
10. The buyer who acts as agent for third parties is the only person responsible for his purchases towards the auction house. Third parties refusing to accept coins from the agent are entirely the responsibility of the agent. The auctioneers cannot accept returns from agents because of third parties for any reason whatsoever unless coins were bought with specific special arrangements between the agent and the auctioneers.
11. Lots purchased by floor buyers cannot be returned. Mail bidders cannot return coins 30 days after receipt.
12. Minors' bids are not accepted.
13. In case of dispute the decision of the auctioneer is at all times final.
14. INTEREST OF 1% PER MONTH MAY BE CHARGED ON UNPAID ACCOUNTS WHICH ARE OVERDUE.

WE SELL APPROXIMATELY 150 LOTS PER HOUR IN THIS SALE.
